Best Doctors in Plano 2017

by Jennifer Shertzer(<http://planomagazine.com/author/jenn-shertzer/>)

Plano Magazine proudly presents our list of the Best Doctors in Plano 2017.

Best Doctors, Inc. conducts a biennial Gallup® certified poll among tens of thousands of leading health care specialists all over the country that mimics the informal peer-to-peer process doctors themselves use to

identify the right specialists for their patients. The result is the Best Doctors in America® List, which includes the nation's most respected specialists and outstanding primary care physicians.

These are the doctors that other doctors recognize as the best in their fields. They cannot pay a fee and are not paid to be listed and cannot nominate or vote for themselves. From this list of nationally recognized health care providers, we have highlighted those located in Plano. We hope that when choosing the right doctor for your family, this list proves itself a valuable resource.

Founded in 1989 by Harvard Medical School physicians, Best Doctors is a global benefits provider and medical information services company that connects individuals facing difficult medical treatment decisions with the best doctors, selected by impartial peer review in over 450 subspecialties of medicine, to review their diagnosis and treatment plans. Best Doctors seamlessly integrates its services with employers' other health-related benefits to serve more than 40 million members in every major region of the world. More than a traditional second opinion, Best Doctors delivers a comprehensive evaluation of a patient's medical condition – providing value to both patients and treating physicians. By utilizing Best Doctors, members have access to the brightest minds in medicine to ensure the right diagnosis and treatment plan.

Best Doctors' team of researchers conducts a biennial poll using the methodology that mimics the informal peer-to-peer process doctors themselves use to identify the right specialists for their patients. Using a polling method and proprietary balloting software, they gather the insight and experience of tens of thousands of leading specialists all over the country, while confirming their credentials and specific areas of expertise. The result is the Best Doctors in America® List, which includes the nation's most respected specialists and outstanding primary care physicians in the nation. These are the doctors that other doctors recognize as the best in their fields. They cannot pay a fee and are not paid to be listed and cannot nominate or vote for themselves. It is a list which is truly unbiased and respected by the medical profession and patients alike as the source of top quality medical information. Best Doctors' innovative services include access to an unrivaled database of physicians who have been selected as the best in their field by other leading physicians, analytics and technology. With every service offered, the goal remains the same: to help people in need get the right diagnosis and treatment, significantly improving health outcomes while reducing costs.
