Texas Back Institute's Dr. Theodore Belanger Named 2018 Physician of the Year by MedicalMissions.org

Rockwall, TX,
January 31,
2019 --

([PR.com](#))-- Dr. Theodore Belanger, MD, Spine, Scoliosis and Complex Deformity Surgeon of the Texas Back Institute in Rockwall, TX is the proud recipient of the prestigious 2018

Physician of the Year award, given by MedicalMissions.org. The organization was quoted as saying:

"It doesn't matter where you live or what kind of degree you have; anyone can make a difference in the life of someone less fortunate. That's the view of this year's winner of the Physician of the Year Award. Dr. Theodore Belanger is a spine surgeon from Rockwall, Texas, who has been performing medical missions since 2010 and is currently employed by the Texas Back Institute. With a life-long desire to serve the underprivileged around the world, he now devotes much of his professional and personal time improving the lives of patients with spinal deformities and conditions in Ethiopia through the nonprofit he cofounded and runs."

"I am both honored and humble in receiving this award," said Dr. Belanger. "Through my surgical work at Texas Back Institute and with the Conscience International Ethiopia Project (CIEP), which I lead in providing specialized care on these medical missions, I dedicate myself to the well-being of patients both here in Texas and around the

world.” Dr. Belanger’s celebrated work is documented at www.conscienceinternational.org in the section on Ethiopia.

Texas Back Institute uses its experience, talent, state-of-the-art equipment, and technology to provide superior, innovative and individualized care for patients who suffer from back and neck pain.
